WELCOME TO THE OCAG 2023 OPEN STUDIO TOUR

This year 106 members of the Orange County Artists Guild will open their studios for your visit the first two weekends of November. We look forward to seeing you, and to sharing our work and our studio spaces. We love to talk with you about our art and the many ways we create it. For many of us, this is a once-a-year opportunity to exhibit and sell our work. We appreciate browsers as well as buyers.

We hope you'll feel welcome to explore the work of the artists composing our 29th annual OCAG Open Studio Tour.

HOW THE TOUR WORKS

- 1** Galleries and studios are open FREE of charge.
The artist studios are open the first 2 weekends of November:
SATURDAYS from 10 AM to 5 PM &
SUNDAYS from 12 PM to 5 PM

NOTE: Some studios are open *only one weekend* as indicated inside.

- 2** Look through this brochure and select images of artworks that interest you. To see more work by a particular artist, go to www.ocagnc.org and view the OCAG artist pages. Many artists also have their own websites, which are listed in this brochure.

- 3** Plot a journey with our handy map (**pages 32-35**) or scan the QR image for the Google Maps version to see the artists you wish to visit!

ABOUT THE GUILD

Our Mission

The Orange County Artists Guild is a non-profit member-run organization of working visual artists. The mission of the guild is:

- to foster the continued development and patronage of its members
- to contribute to the vibrancy and economy of Orange County
- to stimulate public engagement with and appreciation of the visual arts.

The guild is dedicated to advancing diversity and equity within its membership.

Our History

The Orange County Artists Guild is an inclusive, non-profit organization of “artists supporting artists,” seeking to increase the visibility and recognition of area artists and craftspeople. The Guild was begun in 2000 by a group of diverse artists who participated in the Orange County Open Studio Tour, a popular annual event in the county since 1995. The group is primarily made up of professional visual artists with considerable experience and dedication, but is open to emerging artists who want more understanding of what it means to produce and exhibit their work. The Guild does not place any restrictions on members art or craft media, content, or style of work.

The Guild was the first participant in the Orange County Arts Commissions’ arts incubation program, which helps local arts groups to become self-sustaining over a three-year period. In 2003 the Guild became an independent non-profit organization, with a board of nine artist members serving two-year terms.

Interested in Becoming a Guild Member?

Membership applications to The Orange County Artists Guild will be live at www.ocagnc.org in January. We seek artists who have made a commitment to their medium, and who reside or have a working studio within Orange County.
