WHO NEEDS POETRY?

by C.B. Weatherford

Kids who like rhythm
Kids who like rhyme
Kids on the fast-track
Kids who take their time
Kids who keep journals
Kids who love to write
Kids who curl up with a book
Each and every night
Kids who watch too much TV
And think that school's a bore
Kids who hate tests
And find homework a chore
Kids who are laid back
Kids who won't sit still
Kids who are motor-mouths
Kids who want to chill
Kids who like to sing
Kids who feel the beat
Kids who like motion
Kids with dancing feet
Kids who like word-play
Kids who like to rap
Kids who crave a little treat
To savor in a snap!
